

AXON™

**GROUND BREAKING TECHNOLOGY
MEETS UNMATCHED RELIABILITY**

WARN AXON

Add Some Brainpower To Your Horsepower

With the all-new AXON™ lineup, WARN has taken winning to the next level by combining a powerful motor and first-of-its-kind digital contactor into one unit called a Motactor™. The WARN Motactor increases performance, drops installation time, and provides never-before-seen levels of performance and feedback to the user. Tech is nothing without durability, so we made AXON the most durable powersports winch ever. All-metal construction, waterproof sealing, and increased structural rigidity are made for extreme environments. It's smart, tough, and perfect for a wide range of powersports vehicles. Available in 3,500, 4,500, and the all-new 5,500 lb. pulling capacities, with a choice of steel or Spydura® synthetic rope.

The color LED display on your hand-held or dash-mounted control switch delivers user feedback, including information on winch temperature and load

- Motactor (motor + digital contactor) dramatically simplifies winch installation – reducing install time by up to 50%
- Digital controls allow you to monitor winch's speed, temperature, and load so you know exactly what's going on during the winching process
- Built-in load limiter prevents damage from overloading winch
- Controller can be customized to fit different mounting locations on your ATV/UTV
- All-metal, IP68 waterproof construction is exceptionally durable and reliably keeps the elements out
- Robust new clutch design based on legendary WARN 4WD hub lock know-how
- Limited lifetime warranty (mechanical), 3 year warranty (electrical)

AXON 55 and 45 Controls

Includes Rockerbar digital control switch and digital corded remote.

AXON 35 Controls

Includes Rockerbar digital control switch with handlebar mount adaptor. (Remote sold separately).

AXON WINCH LINE-UP

101155 AXON 55

50' of 1/4" steel rope, roller fairlead, Rockerbar digital control switch, and digital corded remote

101150 AXON 55-S

50' of 1/4" Spydura synthetic rope, Epic hawse fairlead, Rockerbar digital control switch, and digital corded remote

101145 AXON 45

50' of 1/4" steel rope, roller fairlead, Rockerbar digital control switch, and digital corded remote

101140 AXON 45-S

50' of 1/4" Spydura synthetic rope, Epic hawse fairlead, Rockerbar digital control switch, and digital corded remote

101240 AXON 45RC

Short drum design is optimized for mounting in the tight space required with some Side x Sides. 27' of 1/4" Spydura synthetic rope, Epic hawse fairlead, Rockerbar digital control switch, and digital corded remote

101135 AXON 35

50' of 7/32" steel rope, roller fairlead, Rockerbar digital control switch with handlebar mount adaptor

101130 AXON 35-S

50' of 3/16" Spydura synthetic rope, Epic hawse fairlead, Rockerbar digital control switch with handlebar mount adaptor

AXON

THE MOST REVOLUTIONARY, RELIABLE, AND POWERFUL POWERSPORTS WINCH EVER

POWERFUL, HIGH-EFFICIENCY MOTOR

The new AXON motor is the biggest in the industry, delivering the most pulling power with less battery drain

SPYDURA SYNTHETIC OR STEEL ROPE

Increased diameter rope is the strongest line on the market

WATERPROOF CONSTRUCTION

The world's first Powersports winch with full IP68 waterproof rating. Built to keep the water and elements out

PLANETARY GEAR TRAIN

The new, completely re-engineered three-stage gear train delivers reliable pulling power that is fast, quiet and more efficient than ever

TIE PLATE CONSTRUCTION

New design creates the strongest winch chassis on the market for a lifetime of reliable service

WARN MOTACTOR™

Unique motor + digital contactor design dramatically simplifies installation, reducing winch install time by up to 50%

DIGITAL CONTROL

Advanced digital control takes the guesswork out of the winching process by monitoring the winch's speed, motor temperature, and load. Makes winching easier

FULL METAL ARMOR

Protects vital components from impact and damage. The aluminum structure also helps to dissipate heat, helping to extend winching duty-cycle and performance

CORROSION RESISTANT FINISH

Satin-black powder-coated finish with stainless steel fasteners looks great and resists corrosion. Salt-spray tested for over 400 hours – four times the industry standard

LIMITED LIFETIME WARRANTY

AXON has a limited lifetime warranty on mechanical parts, and a three-year warranty on electrical components. It's the best in the industry – all backed by a global service network and a WARN name that's trusted worldwide

ERGONOMIC WINCH CONTROLS

Ultra-durable rubberized corded remote and dash switch are totally waterproof and reliable (IP68 rated)

CLUTCH DIAL

Robust, easy-to-handle new design. Based on proven WARN 4WD hub lock know-how. Built to last.

WARN BUMPERS AND WINCH MOUNTING SYSTEMS

PUSH THE ENVELOPE AND RIDE WITH CONFIDENCE

Warn Industries means more than just winches. We manufacture a full line of mounting systems and bumpers engineered specifically to withstand the stresses encountered in winching operations and off-road driving. Built to fit your ATV or Side x Side and your lifestyle, these products have the durability you want and the rugged off-road functionality you need.
